## studio

At **Indoor Concepts** we want to create furniture and accessories you'll love to use. We create designs that is not only beautiful to look at but helps you solve your interior challenges. By giving you the options of customization, you can have furniture that suits your needs and expresses your true style & comfort. By providing functionality, you can optimize every square feet of space available. By careful selection of materials with special attention to quality and price, you can enjoy your dream home, and still have money left to enjoy the pleasures of life.

### Customized Furniture

We offer customization for the following :

- Bedroom Furniture
- Dining Room Furniture
- Storage Units
- Living Room Furniture
- Home Office And Hallway Furniture

### Bed Room Furniture

Get your bedroom customized with beautiful beds, functional night stands, spacious wardrobes, comfortable mattresses and soft pillows. Put your mind to rest with storage that will keep your bedroom clean and crisp & clutter free.

### Dining Room Furniture

Treat your guests and yourself to a dining experience of great taste, style and comfort. Dining tables, dining chairs, sideboards and cabinets of different shapes, colors & sizes for a perfect setting.

### Storage Units

Get organized with modern & attractive wall systems that have room for everything from television equipment to literary classics. Different shelving depths, drawers, cabinets and doors give you the freedom to create a home with maximum functionality. Stylish storage for all of your treasured belongings.

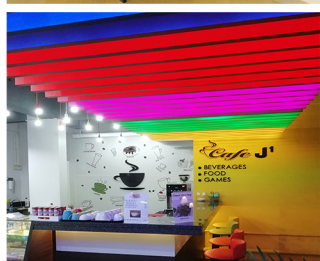

### Living Room Furniture

Super sofas, appealing armchairs, & cool coffee tables. You'll find seats, each with their own characteristic features, comfort & function. Whatever you prefer, you can trust that most of them come in a range of different sizes, covers & colors to match your style perfectly.

### Home Office & Hallway Furniture

When your home is on double-duty, it is important to get organized so that the workload doesn't take over your living space. Let room dividers, shelves, boxes and baskets do the job of managing & organizing all your stuff.
